

COMPANY PROFILE

AIN GROUP

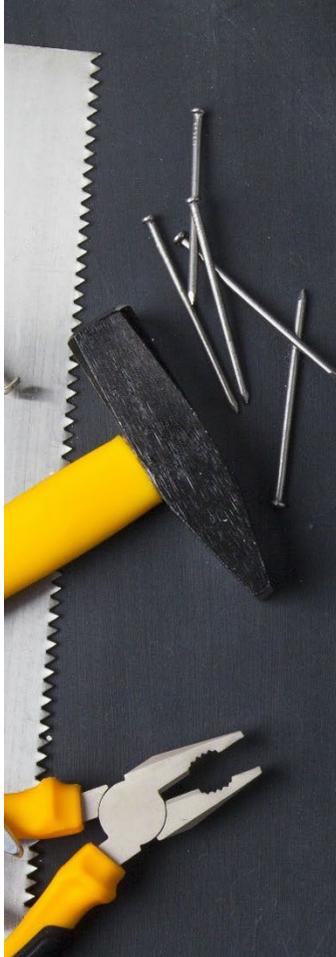

"It's Time to be
Independent."

AIN GROUP

©2025 AIN Group, All right reserved.

VISI
The biggest Machine, CNC &
Automation manufacture industri
in Indonesia

MISI
Establish machine building
processing plant to support Local
machine availability

ACTIVITY

1. Machine Building & Development

- Kita telah bekerjasama dengan beberapa perusahaan sebagai vendor untuk pembuatan mesin.

2. Electrical Design & Build

PLC & HMI Support

- Perancangan Panel.
- Membangun system automasi untuk meningkatkan cycle time dan efisiensi kerja.

3. Manufacture

Our Product CNC Machine

- Menerima jasa pengelasan dan pembuatan structure model tertentu.

AIN GROUP

Machine Build & Dev

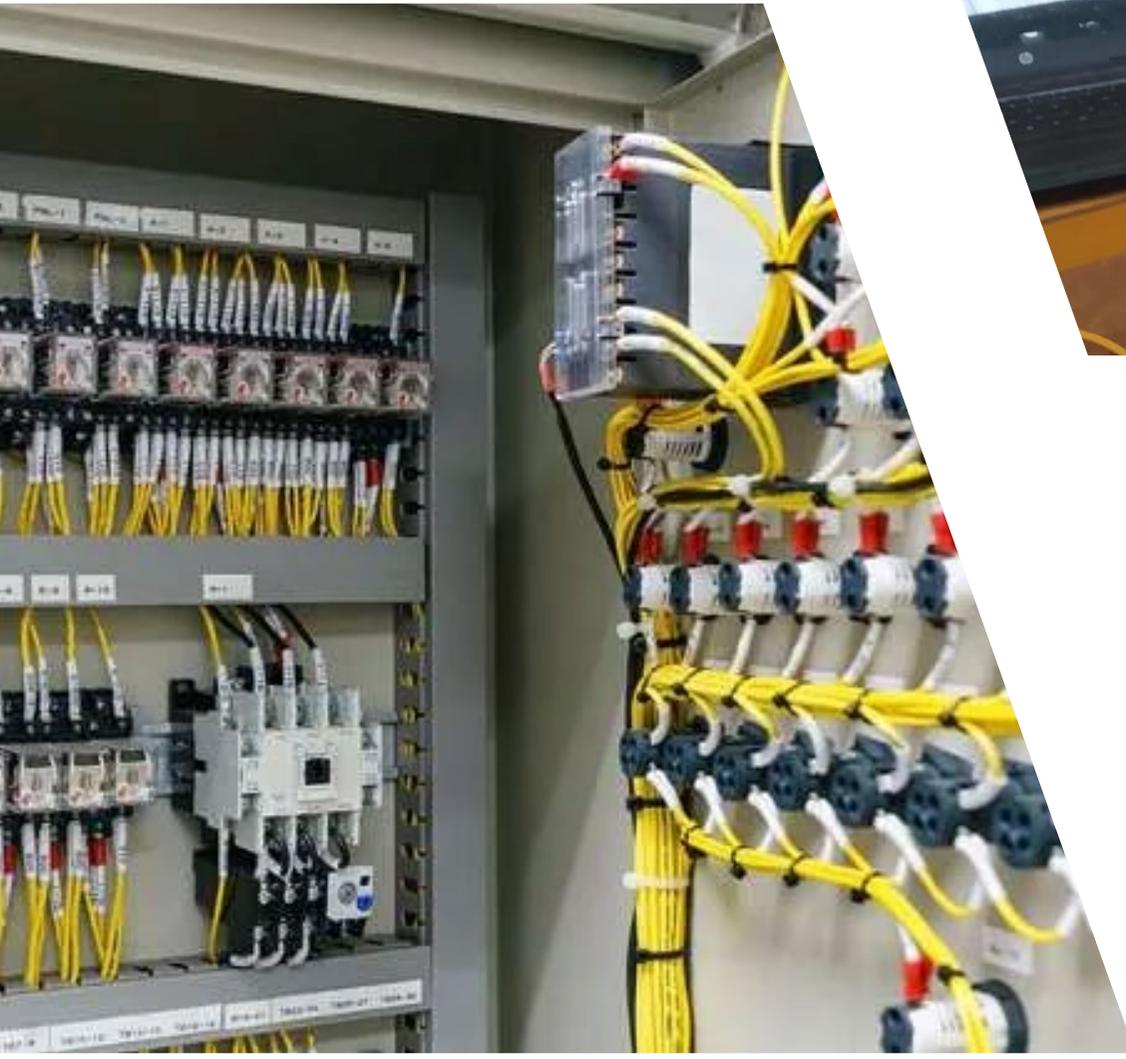

Menerima jasa pengelasan dan pengerjaan structure model atau mesin.

CNC CUTTING SUPPORT

Electrical Build & Development

Menerima jasa pengerjaan panel elektrik dan control automatic.

PLC & HMI SUPPORT DEVELOPMENT

AIN Product

VERELON RS-100

- Mobilitas mudah dikarenakan model portable.
- Toleransi Ketelitian : 0,5 – 1 mm
- Max Speed : 3000 mm/s
- Berat : 45 kg
- Operation : HMI
- Cutting Option : Gas – Oxy & Plasma

PRODUCT SPECIFICATION

Length (Optional) - Max 3 Meter

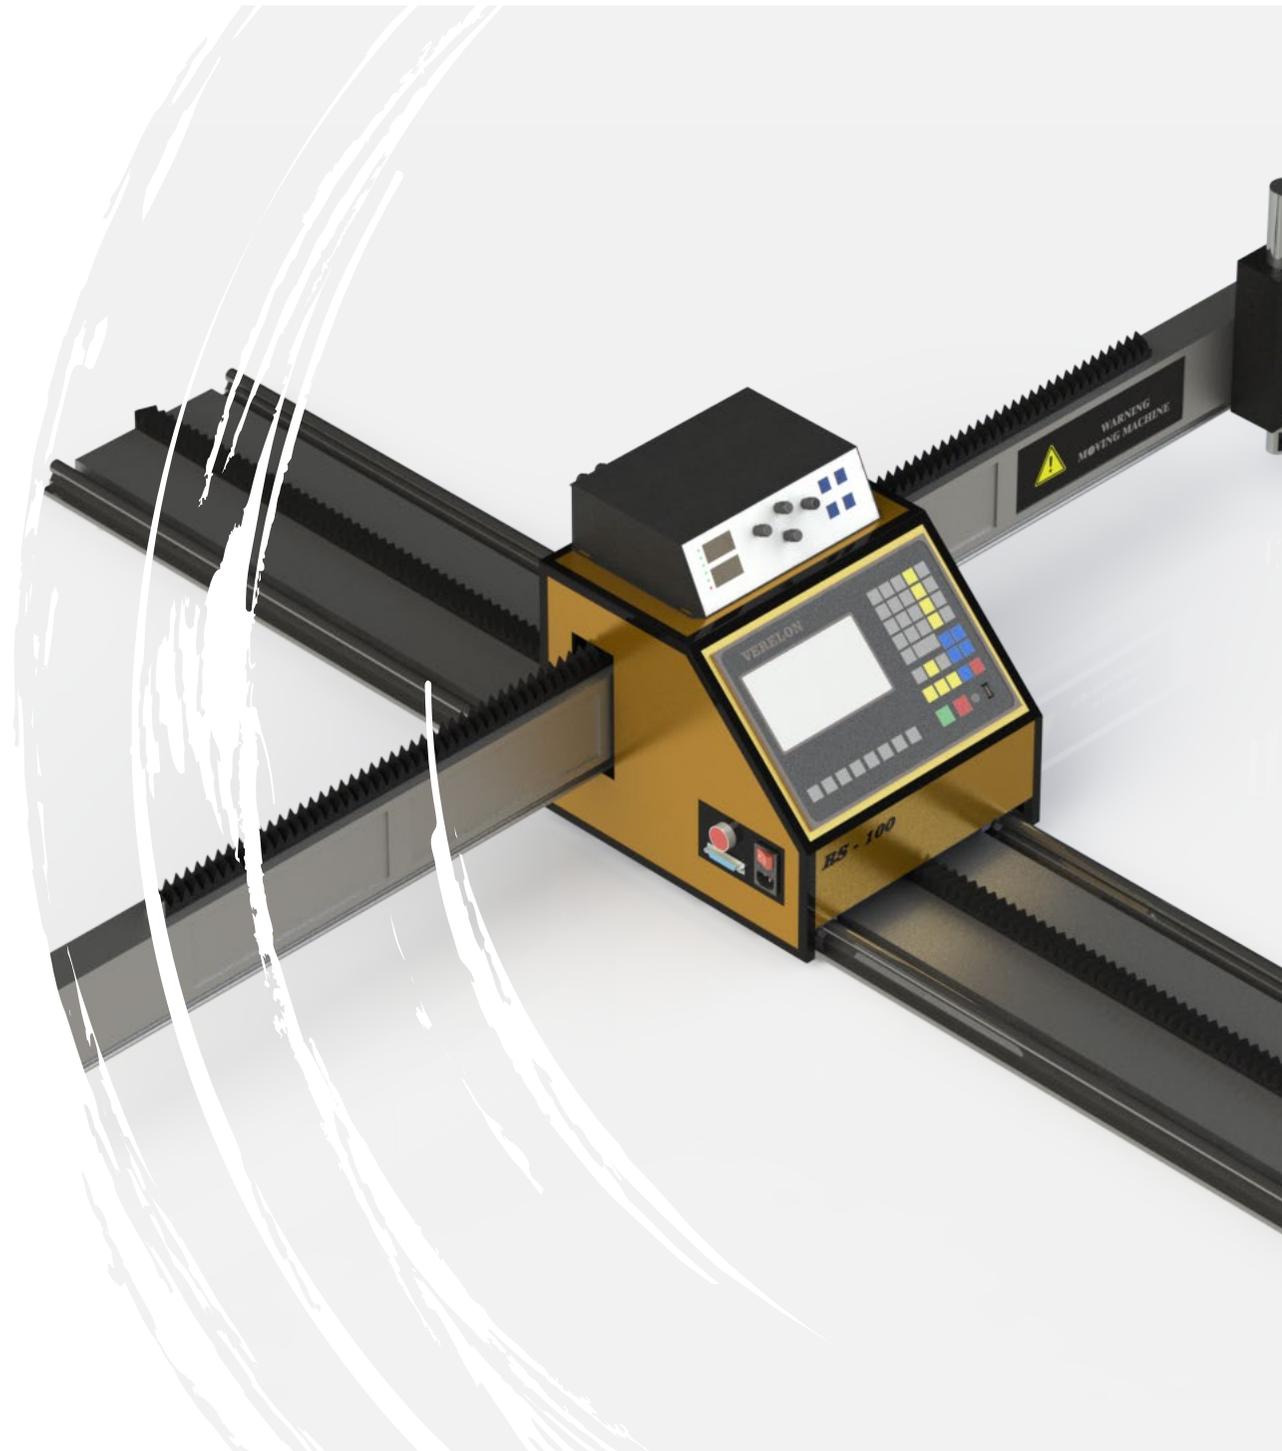

Width (Optional) - Max 2 Meter

HMI (Human Machine Interface) - USB

THC (Torch Height Control) - Auto

Input Voltage - 3PH, 380V, 50/60 Hz

Electrical P = 1KW, Plasma P = 8KW

“ CNC Cutting ”

AIN Product

VERELON RS-2400

- Lebih stabil dan presisi dengan kerangka lebih kuat..
- Toleransi Ketelitian : 0,1 – 0,5 mm
- Max Speed : 4000 mm/s
- Berat : 150 kg
- Operation : HMI
- Cutting Option : Gas – Oxy, Plasma & Laser

PRODUCT SPECIFICATION

Length (Optional) - Max 7 Meter

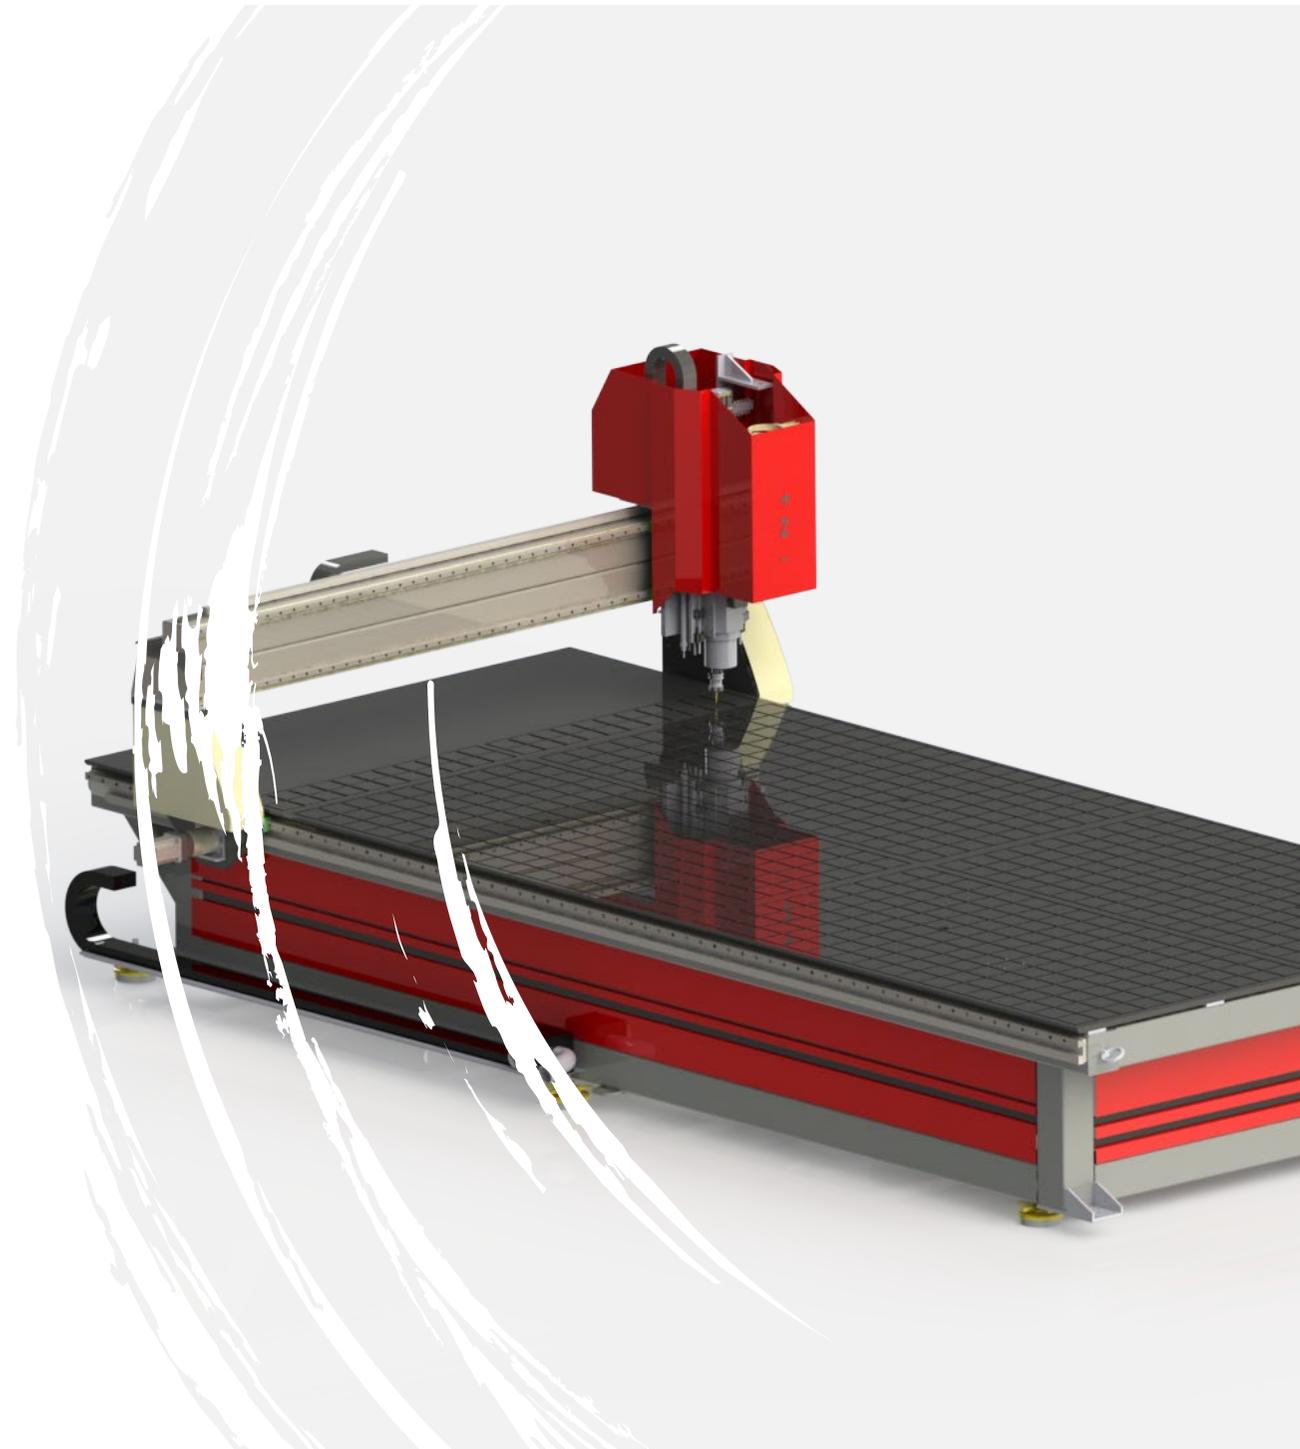

Width (Optional) - Max 2 Meter

HMI (Human Machine Interface) - USB

THC (Torch Height Control) - Auto

Input Voltage - 3PH, 380V, 50/60 Hz

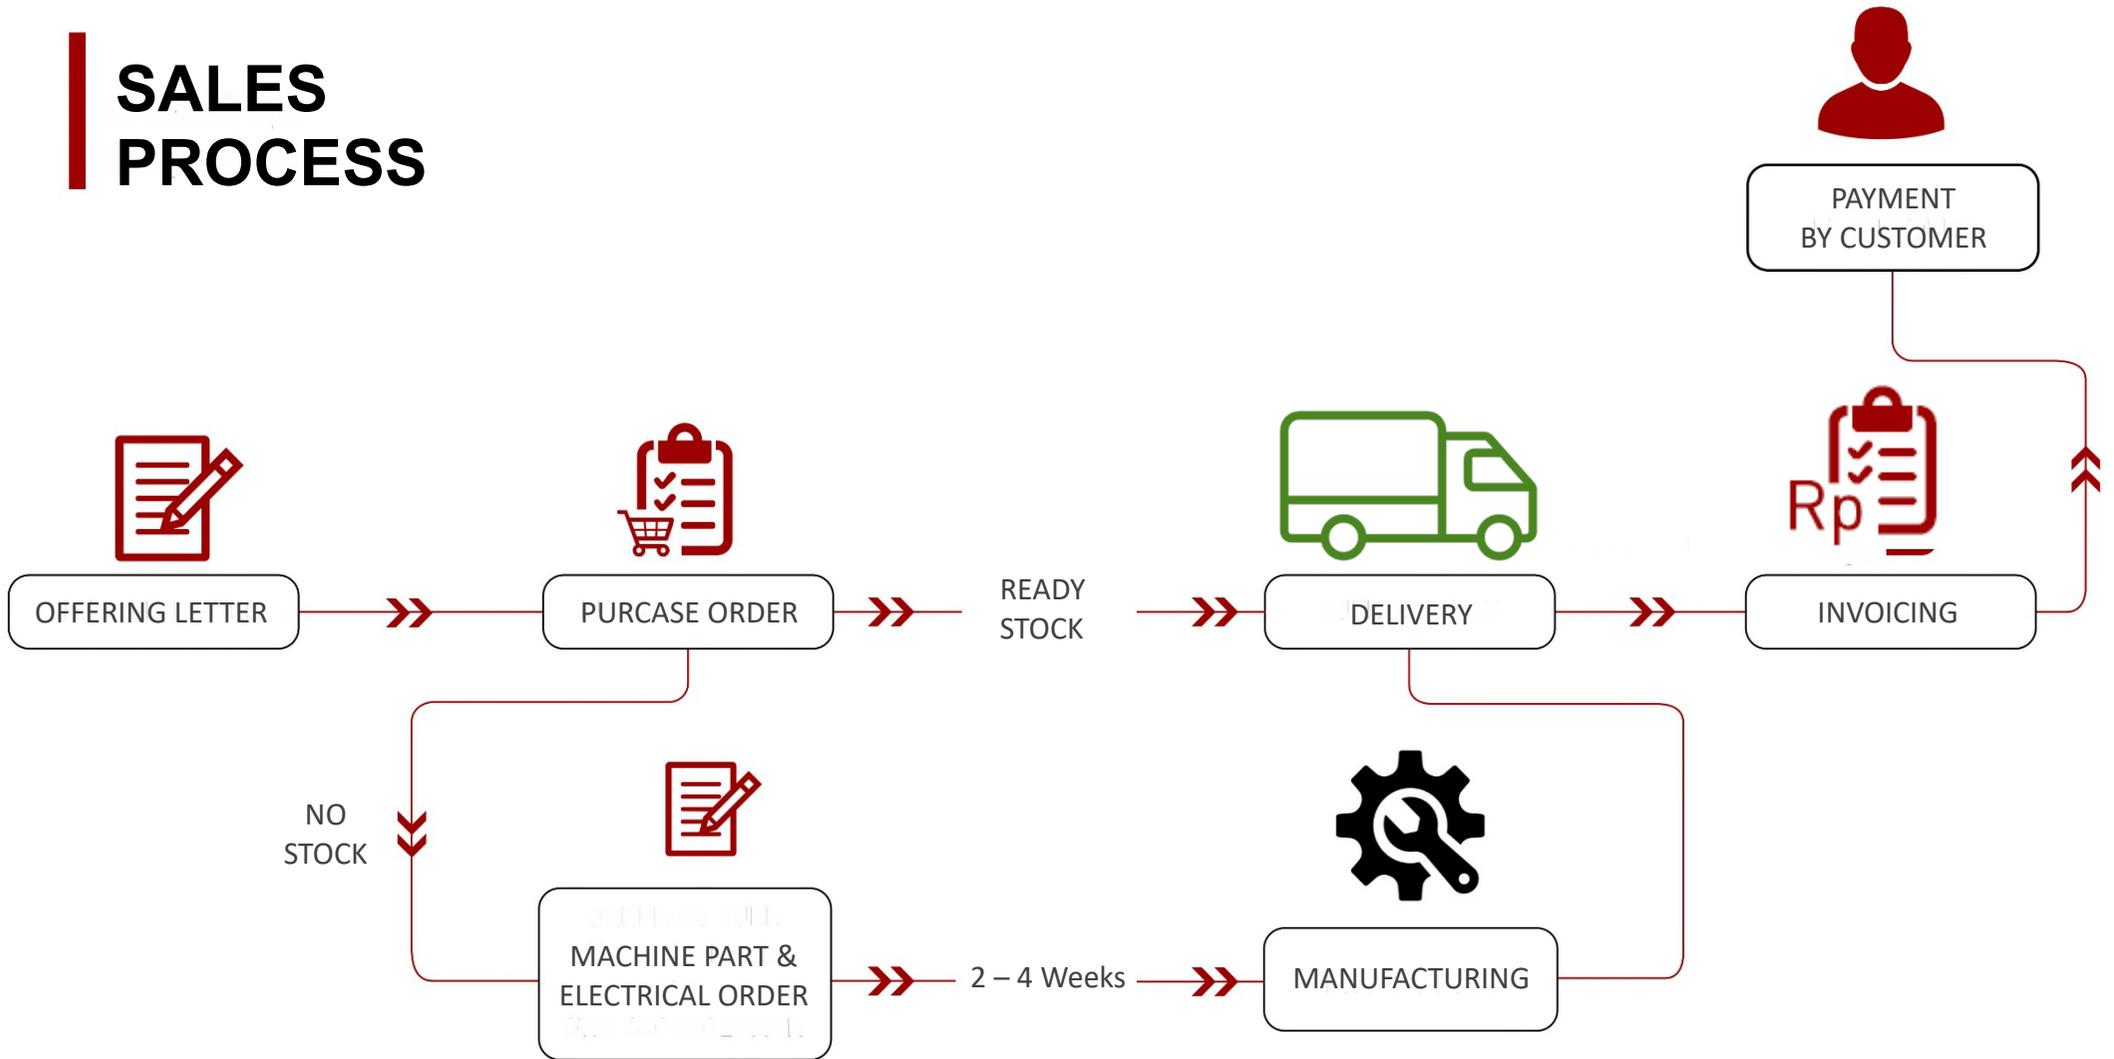

Electrical P = 1KW, Plasma P = 8KW

“ CNC Cutting ”

SALES PROCESS

PT. Automation Industrial Nusantara

Head Office : Jl Juwet Kavling Greenland Bohar
B2 23, Taman – Sidoarjo
